## CLASS OF 2026-2027

Accredited through the Office of Continuing Education and Professional  
Development, Faculty of Medicine, University of Toronto (Pending)  
Accredited by Department of Health Abu Dhabi

## IIWCC OVERVIEW

The International Interprofessional Wound Care Course (IIWCC) is designed for wound care specialists with some wound care education and experience: physicians, nurses, and other health professionals in the wound care field related industry.

The IIWCC is a 12-month course, offered by University of Toronto through WoundPedia. The objective is to provide a comprehensive educational experience for wound care specialists and to translate new knowledge into practice.

- Two mandatory Educational Sessions

- Fourteen self-study modules (9 required to complete 5 faculty chosen and 4 student chosen)
- A selective related to student's day to day activities is presented to the class and faculty along with a submitted written report-demonstrated translation of evidence to practice setting.
- Skills Workshops including 3 virtual platform sessions with faculty between educational sessions
- Virtual Skills sessions 10 hours spread between the 10 educational sessions for skills acquisition.
