

IIWCG 2022 PRESIDENTIAL AWARD FOR MULTIDISCIPLINARY WOUND CARE TEAM UAE

1. MULTIDISCIPLINARY WOUND CARE TEAM AWARD

2. MIDDLE EAST REGIONAL MULTIDISCIPLINARY WOUND CARE TEAM AWARD

In this endeavor our aim is to highlight the work of clinical Experts MDT that had made an impact on wound care in the United Arab Emirates and the Middle East region. We are awaiting nominations of MDT with a wound related focus on either prevention, curative management or rehabilitation that changed, and still are changing, the lives of patients. Excellence in day-to-day conduct is to be celebrated and duly awarded for their influence and outcomes.

Rules:

1. Any wound related clinical entity in the United Arab Emirates or in the Middle Eastern region will be eligible to be nominated or nominate themselves for entry into the IIWCG Prestigious Presidential awards for MULTIDISCIPLINARY WOUND CARE TEAM **by Dec 31st 2022**
2. **Nomination should clearly state:**
 1. Identify the award (Local in the UAE or regional in the rest of the Middle East)
 2. The premise of the clinical entity (Where it is located; Name of the entity)
 3. Main person in charge of the entity (Name, Credentials and contact details)
 4. Main focus of the daily care approach followed (Prevention, Curative, Rehabilitation)
 5. Clinical approach followed in the unit (How is knowledge transferred to patient care and outcomes; What is the backbone of the knowledge paradigm)
 6. What sets this TEAM apart to being a BEST TEAM (A single statement in 25 words)
 7. Provide an overview of the activities of the entity in 500 words, explaining the clinical approach to advance practice and reach clinical outcomes. Add concise examples of initiatives, patient numbers, research endeavors, accreditations, interprofessional team members. Any creative, innovative and original approaches incorporated in day-to-day practice can be highlighted here. (Example pieces can be added as addendum)
